Notes for Settings & Preferences

For descriptions of features and functions available when connected to ESCORT Live, visit EscortRadar. com and download the MAX 360c Owner's Manual.

To view serial number and software revision press MRK and MUTE while powering on detector.

To restore MAX 360c to its original factory Settings, press and hold MRK and BRT while turning the power on. A "Restored" message will display, acknowledging the reset.

Software Updates

In its factory default settings MAX 360c automatically receives software updates from your connected vehicle's Wi-Fi network. See **Using Wi-Fi Connect** on page 6 for connection instructions.

The MAX 360c operating firmware and red light and speed camera database can also be updated using a USB A/Mini B cable (not included) connected to a computer using our detector software tools found on our web site. In order to have access to these updates, please register your MAX 360c at www. EscortRadar.com

Warranty

ESCORT One Year Limited Warranty

What this warranty covers: Escort, Inc. ("Escort") warrants your Product against all defects in materials and workmanship.

For how long: One (1) year from the date of original purchase from an authorized Escort dealer.

What we will do: If a breach of warranty occurs, Escort, at its discretion, will either repair or replace your Product free of charge.

What we will not do: Escort will not pay shipping charges that you incur for sending your Product to us.

What you must do to maintain this warranty: Show original proof of purchase or receipt from an authorized Escort dealer.

Warranty exclusions: This warranty does not apply to your product under any of the following conditions: 1.The serial number has been removed or modified. 2. Your product has been subjected to misuse or damage (including water damage, physical abuse, and/or improper installation). 3. Your product has been modified in any way. 4. Your receipt or proof-of-purchase is from a nonauthorized dealer or internet auction site, including E-bay, U-bid, or other non-authorized resellers. 5. You are not the original purchaser of the Product from an authorized dealer or did not receive it as a gift from the original purchaser of the Product from an authorized dealer.

To obtain service: 1. Contact ESCORT (1-800-543-1608) to obtain a Return Authorization Number. 2. Properly pack your Product and include: your name, complete return address, written description of the problem with your Product, daytime telephone number, and a copy of the original proof of purchase or receipt. 3. Label the outside of the package clearly with your Return Authorization Number. Ship the Product prepaid (insured, for your protection) to: ESCORT, Inc., 5440 West Chester Rd., West Chester, OH 45069.

LIMITATION OF WARRANTY: The obligations set forth above are ESCORT's sole obligations and your exclusive remedy. ESCORT makes no other express warranty. Any implied warranty of merchantability or fitness for a particular purpose that may be applicable to the Product is limited in duration to the duration of this warranty. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. ESCORT SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INCIDENTAL DAMAGES INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF THE USE, MISUSE OR MOUNTING OF THE PRODUCT.

Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. ESCORT is not responsible for products lost in shipment between the owner and our service center.

Other legal rights: This warranty gives you specific legal rights, and you may also have other rights which vary from State to State.

Quick Reference

Congratulations

You've just purchased the MAX 360c with 360° directional arrows, GPS-based intelligence, plus Bluetooth® and Wi-Fi connectivity.

Go to EscortRadar.com for the full featured MAX 360c Owner's Manual.

Guía de Referencia Rápida Española traducida y manual con todas las funciones también son disponibles a www.EscortRadar.com

MAX 360c features a new multi-color OLED display. Brilliant graphics illuminate intuitive icons that identify the type of threat at a glance.

MAX 360c Features

- Front and rear radar receivers offer 360° ticket protection.
- Threat direction arrows report the direction an alert is coming from.
- MAX 360c's GPS location-based intelligence automatically locks out false alerts and allows you to mark locations for future reference.
- Using Wi-Fi, MAX 360c gives you wireless access to ESCORT's DEFENDER Database, which warns you of verified speed traps, speed cameras, and red light cameras.
- MAX 360c with built in Bluetooth* and Wi-Fi technology, gives you access to ESCORT's award-winning app, ESCORT Live. Our exclusive real-time ticket-protection network which warns you of upcoming alerts received and reported by other users in the area, and gives you access to local speed limit data for over-speed alerts.

Registration and ESCORT Live

Before downloading ESCORT Live, you must first register your device. Be sure to have your device nearby, as you will need its serial number.

- 1 Visit www.EscortRadar.com and click Product Registration.
- 2 Click the "Registration for all devices" link.
- **3** Follow the onscreen instructions to register your device.

Be sure to write down the username and password you create, as you will need this information to access and download ESCORT Live. (You will also receive an e-mail with this information, once you have registered your device.)

For iPhone:

- **1** Ensure MAX 360c power is ON
- 2 Open the App Store on your iPhone and search for **ESCORT Live Radar**.

- **3** Follow the onscreen instructions to download **ESCORT Live Radar** and then open the app.
- **4** When prompted, enter the username and password you created when registering your product at EscortRadar.com.
- 5 Press the Settings button then select Devices.
- **6** You should see **MAX 360c** listed with Not Connected underneath.
 - Press the **MAX 360c** device entry and when prompted select Pair.
- 7 The Bluetooth icon on the MAX 360c display will appear to confirm that it is paired to your iPhone.

For Android based smartphones:

- **1** Ensure MAX 360c power is ON.
- **2** On your smartphone go to Bluetooth® Settings and make sure that Bluetooth® is ON.
- 3 Press Scan for devices and wait for the device list to populate, MAX 360c Live should appear under Available devices.
- 4 Press the MAX 360c device entry.
- 5 The Bluetooth icon on the MAX 360c display will appear to confirm that it is paired to your smartphone.
- **6** Open Google Play on your smartphone and search for **Escort Live Radar**.
- 7 Follow the onscreen instructions to download Escort Live Radar and then open the app.
- **8** When prompted, enter the username and password you created when registering your product at EscortRadar.com.
- **7** Open the app, walk through the tutorial, and you're ready to hit the road!

Installation

Your new detector comes with our latest **EZ Mag Mount**™. Simply tilt the display end of the
detector up and slide it onto the mounting
bracket. The magnetic mount holds the detector
in place. To remove the detector from the mount,
simply lift the display end of the detector and the
detector releases from the mount.

Mounting Tips:

- Center of windshield between driver and passenger.
- Ensure clear view of road ahead and sky above.
- Avoid windshield wipers and heavily tinted areas.

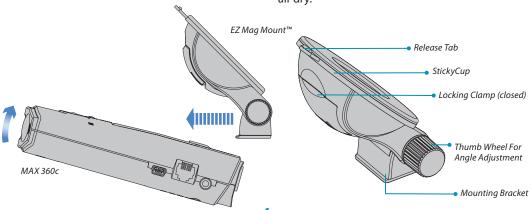

To mount the detector in your vehicle:

- Remove paper backing from EZ Mag Mount™ StickyCup.
- 2 Ensure the locking clamp is open.

- 3 Firmly press EZ Mag Mount™ StickyCup onto windshield and close the locking clamp to secure.
- **4** To adjust view, loosen thumb wheel and adjust angle of mounting bracket. Tighten thumb wheel to secure.
- 5 Tilt the display end of the detector slightly upward and engage with the flanged edge of the mounting bracket. The EZ Mag Mount™ magnet holds the detector in place.
- 6 To remove the detector, simply lift the display end of the detector upward. The detector will release from the mount.
- 7 To remove mount from windshield, release locking clamp and pull tab on top of StickyCup.

EZ Mag Mount™ Care Instructions:

Should the EZ Mag Mount™ StickyCup accumulate debris and lose its stickiness, simply rinse under warm water, gently wipe off debris and allow to air dry.

Controls & Features

Using MAX 360c

- Plug small end of SmartCord USB into modular jack on MAX 360c and large end of SmartCord USB into your car's lighter/accessory socket.
- 2 MAX 360c should power on automatically. If not, press the device's power button. (1)

Using Wi-Fi Connect

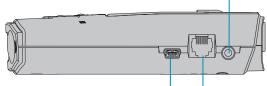

To connect MAX 360c to your connected vehicle's Wi-Fi network.

- 1 Follow the directions on page 3 to register your MAX 360c, download the ESCORT Live app and pair the MAX 360c to your smartphone.
- 2 In the ESCORT Live app press Settings, select Wi-Fi Settings then Connect to Wi-Fi Network.
- **3** Enter your connected vehicle's Wi-Fi network password.

After successfully connecting and when powering up, MAX 360c will briefly display the connected Wi-Fi network's name. The speed limit indicator will be white when receiving Escort Live data from Wi-Fi (see page 6).

Earphone Jack

Connects to optional 3.5 mm stereo earphone
